About Brown Jordan

Since 1945, Brown Jordan has designed iconic leisure furnishings that defined and transformed an industry. Established by Robert Brown and Hubert Jordan in Pasadena, California, Brown Jordan was the first company to create furniture for full-time outdoor use. The first of these innovative designs, constructed of tubular aluminum and vinyl lace, was fittingly called "Leisure" and marked the birthplace of outdoor furniture.

Brown Jordan furniture is designed to complement your leisure lifestyle. The Brown Jordan portfolio features more than 30 collections in a range of design styles and material. Distinctive silhouettes are hand- and machine-crafted into high quality furnishings that enhance traditional, transitional, and contemporary environments. Our collections are appropriate for residential and contract environments, both indoors and out. Known for producing stylish, award-winning designs, we have built a reputation on more than 60 years as the industry leader in innovation and design integrity.

Corporate offices are located at 9860 Gidley Street, El Monte, California 91731.
