About

Venetian's refined silhouette is highlighted by timeless Neoclassic details. The x-back and cross-stretcher are framed by elegantly scaled rectangular lines, including a subtly flared and contoured back. Gracious spiral volute details at the end of the arms, architectural banding details on the legs, and the cross-stretcher are proportionately placed to enhance the overall balance. Venetian easily accents eclectic living scapes that require a more formal design presence. Not suitable for contract use.
