About

Elevated materials set the tone for the 30" X 76" Rectangle Fire Table. Its broad velvet-smooth aluminum top is heat resistant and features built-in slip resistance properties making it perfect for year-round use as a table top and focal point during warmer weather. Smooth transitional lines and luxurious matte river rock fire media add to the Fire Tables sophisticated exterior. Built with design and function in mind, the 30" X 76" Rectangle Fire Table features over 60,000 BTU output and a spring loaded side panel for an easily retractable tank. For optimal performance, this piece is best used with a wind screen. Fire media, wind guard, and retractable tank not included.
