About

42" Round Fire Table w/ Push Start, Auto Off combines refined design with advanced functionality. Its smooth aluminum top is heat-resistant and slip-resistant, ensuring durability and year-round usability as both a table surface and a fire feature. Transitional lines and matte river rock media add a sophisticated aesthetic, while a powerful 60,000 BTU output delivers consistent warmth. A spring-loaded side panel provides quick access to a retractable tank, while push-button ignition with automatic shut-off ensures effortless operation and efficient performance. For optimal performance, this piece is best used with a wind screen. Fire media, wind guard, and retractable tank not included.
