About

The Lisbon 37" x 60" Rectangular Parsons Slat Top Dining Table is designed for high-exposure settings where airflow, drainage, and ease of maintenance are as important as aesthetics. The open slat construction gives the table a lighter visual presence than its solid top counterpart, making it a natural fit for poolside dining and coastal environments. Crafted with 5-stage pre-treated powder-coated aluminum to perform in demanding outdoor environments, the Lisbon 37" x 60" Rectangular Parsons Slat Top Dining Table is available in all Brown Jordan finishes. An open Parsons base offers generous clearance and comfortable legroom to support a wide range of seating applications.
