About

The Lisbon 37" x 60" Rectangular Parsons Slat Top Dining Table with Umbrella Hole is engineered for outdoor environments where ventilation, drainage, and shade coverage all need to work together. The open slat surface handles exposure without trapping water or heat, while the integrated umbrella hole allows for easy pairing with a Brown Jordan umbrella in sun-heavy settings. Crafted with 5-stage pre-treated powder-coated aluminum to perform in demanding outdoor environments, the Lisbon 37" x 60" Rectangular Parsons Slat Top Dining Table with Umbrella Hole is available in all Brown Jordan finishes. An open Parsons base offers generous clearance and comfortable legroom to support a wide range of seating applications.
