About

The Lisbon 37" x 84" Rectangular Parsons Slat Top Dining Table is the most versatile configuration in the Lisbon dining range, combining large-group capacity with an open slat construction that handles high-traffic, high-exposure environments with ease. At 84 inches, it seats six to eight comfortably, and the slatted surface promotes airflow and drainage — practical advantages for poolside, resort, and coastal dining installations. Crafted with 5-stage pre-treated powder-coated aluminum to perform in demanding outdoor environments, the Lisbon 37" x 84" Rectangular Parsons Slat Top Dining Table is available in all Brown Jordan finishes. An open Parsons base offers generous clearance and comfortable legroom to support a wide range of seating applications.
