About

The Lisbon 37" x 84" Rectangular Parsons Slat Top Dining Table with Umbrella Hole is purpose-built for large outdoor dining in full-sun environments. The open slat construction manages heat, moisture, and airflow across an expansive surface, while the integrated umbrella hole adds overhead shade coverage for extended gatherings of six to eight guests. Crafted with 5-stage pre-treated powder-coated aluminum to perform in demanding outdoor environments, the Lisbon 37" x 84" Rectangular Parsons Slat Top Dining Table with Umbrella Hole is available in all Brown Jordan finishes. An open Parsons base offers generous clearance and comfortable legroom to support a wide range of seating applications.
