About

Conceived by visionary designer Ann Marie Vering and inspired by polo, the sport of kings, the Luca Daybed embodies a perfect fusion of industrial design and artistic elegance. Every curve and line of the Luca Daybed reflects the sport's graceful aesthetics. Adorned with luxuriously 16" x 16" plush cushions, the Luca Daybed transforms any outdoor space into an inviting retreat of supreme comfort. The Luca Daybed serves as a striking statement piece but also as a testament to sophisticated design, offering a luxurious oasis for relaxation and leisure amidst the beauty of nature.
