About

Conceived by visionary designer Ann Marie Vering and inspired by polo, the sport of kings, the Luca Loveseat embodies a perfect fusion of industrial design and artistic elegance. This loveseat is meticulously balanced with a softly curved teak arm paying homage to the curve of the horse iron juxtaposed against a sturdy powder-coated aluminum frame. The loveseat's structure is thoughtfully crafted to provide both visual appeal and exceptional support. Adorned with luxuriously plush cushions, the Luca Loveseat transforms any space into an inviting retreat, offering supreme comfort for two. Whether in a living room, patio, or garden, it makes for a perfect addition, combining timeless beauty with unparalleled coziness.
