About

Conceived by visionary designer Ann Marie Vering and inspired by polo, the sport of kings, the Luca Sofa embodies a perfect fusion of industrial design and artistic elegance. This sofa is meticulously balanced with a softly curved teak arm paying homage to the curve of the horse iron juxtaposed against a sturdy powder-coated aluminum frame. This exquisite sofa is adorned with luxuriously plush cushions, transforming it into an inviting retreat that offers supreme comfort and support. The Luca Sofa is a perfect centerpiece for any living space, providing ample seating while serving as a statement of sophisticated design.
