About

Like every piece in the Oliver collection, the Dining Armchair is a study in juxtapositions. The bold angles and lines of the armchair's low-profile frame contrast with the soft curves of the bucket seat while the angular round back legs contrast with flat twisted arms, creating the perfect proportion and a striking silhouette with long lasting appeal. In addition to highlighting Brown Jordan's unrivaled expertise in metal craftsmanship, the design of the Dining Armchair showcases our innovative use of woven rope. This durable, heritage material - "a modern updated look to wicker" - is handwoven onto the actual frames by skilled artisans in Indonesia. Completing the look, impeccably tailored cushions hug the curves of the rope seat and cosset the body in luxury. Oliver comprises 10 cushioned pieces that can be floated confidently and effortlessly in any setting.
